The social campaign

The objective of the "**Cristo Redentor, Eu Quero Doar**" social campaign is to help the lives of the population in a situation of social vulnerability, who at this time of the coronavirus pandemic (covid-19), suffers even more due to the lack of the basics to survive.

Anyone can help in the purchase of food and hygiene, protection and cleaning materials to needy families and social institutions by donating the amount they choose from the platform options **cristoredentor.euquerodoar.com.br**

"This continuous donation platform has its beginning in this pandemic scenario and will be permanent, always helping important social causes. Together we have already helped thousands of people, some of whom do not even have anything to eat."

Father Omar, Rector of the Christ the Redeemer Sanctuary of Corcovado.
